Snohomish County Superior Court Family Drug Treatment Court / MEDICATION FORM

1. I have been diagnosed as an "addict" or "substance dependent", and I'm participating in chemical dependency treatment through Snohomish County's Family Drug Treatment Court.
   - **As part of my treatment, I am to avoid drugs generally problematic for me, including (but not limited to):**
   - **narcotic analgesics** (e.g. Vicodin, Percoset, hydrocodone)
   - **sedative hypnotics** (inc. benzodiazepines and barbiturates)
   - **tramadol/ultram**
   - **muscle relaxants**
   - **any prescription medication with mood or mind altering properties**
   - **Prescription or over-the-counter stimulants (including ephedrine, pseudoephedrine, Nyquil, etc.)**

Please recommend or prescribe alternatives for me if possible.

2 I must submit to regular urinalysis testing, and I am not permitted to use any prescribed medications except under the direct supervision of a physician.

3. If you believe it is **a medical necessity** to prescribe me any pain medication, mood altering drug or any medication with a potential to become habit-forming, please complete this form. **Please prescribe such medications for the shortest duration possible**. I will then submit it to drug court.

Note: ***Except in the event of a medical emergency, please have this form completed and turned in to your treatment provider / social worker within 24 hrs of being prescribed any mood altering medications (as listed above). If you have been discharged from treatment, you are required to fax this completed form to your Drug Court Social Worker.*** The Drug Court Team reserves the right to deny entry to candidates or terminate participants who are taking legally prescribed mind and/or mood altering drugs.
